NEW BUSINESS Discussed La Crosse Virus Alert Flyer from the Sussex County Office of Mosquito Control regarding the La Crosse Virus being detected in Borough of Ogdensburg, the signs and how to stay safe. Discussed that the Office of Mosquito Control sprayed the town with ULV application for adult mosquitoes on September 22nd between the hours of 7-11 pm.

Continued discussion topic that was brought up regarding people/kids/residents having lemonade stands and selling food to the public. No Food Handler's Licenses are required due to State Law, but foods sold should still be "safe foods" similar to Cottage License rules.
