

Sussex County Transit Questionnaire

Sussex County is updating and reviewing its transit service plans with the intent to improve mobility for senior adults as well as those with low or fixed income, disabilities, and/or underserved by transit.

Do you live in Sussex County? If so, please consider responding to the following questions. We want to understand your transportation needs. It should only take about 5 minutes of your time. Your answers will help us develop strategies to improve transportation services in the county.

There are two ways you can provide feedback:
